As you may know, the theoretical activities of the course will be developed during the first week (with simultaneous translation English-Spanish) while the second week will include only practical sessions in clinic-pathology, virology-immunology, epidemiology, vector control, community participation.

If you wish, you can attend only the theoretical sessions (week of 7-11 August) (fees of 500.00 CUC) , only the practical sessions (week of 14 to 18 August) (fees of 400.00 CUC) or the whole course (August 7 to 18) (fees of 800.00 CUC).

Please mark with **X** the course modality you wish to attend (theoretical, practical sessions or the whole course).

If you will attend the practical sessions, you should mark with **X** the group of practice you wish to attend (only one group).
